

CUT TO:

3 INT. CABIN - CONTINUOUS

The cabin is a little bit dusty and stale.

ALISON

Wow it smells as if this place has  
been used to have a furry orgy.

RICH

It's always nice to know your  
girlfriend knows that smell.

Alison scoffs at him.

JAKE

It just needs to be aired out  
that's all. Lets open the windows  
and get some air in here.

TOM

Ok.

Everyone goes to a window and opens it. Kerri opens her window and yells.

KERRI

[out the window]

It's my money and I want it now!

Everyone looks at her.

KERRI

Sorry I've always wanted to do  
that.

Alison pulls her phone out of her purse.

ALISON

My phone doesn't have reception.

JAKE

(taking the phone away  
from her)

That, is the best part about this  
place. No distractions, no boss  
calling and ruining our weekend.  
Only me and you, the rest of the  
guys-

KERRI

Eh-hem?

JAKE

And lady, and this beautiful peaceful sanctuary. Trust me, when we get back to the city your going to be longing to be fantasizing to be back here.

ALISON

Ok. Ok I'll stop. I'll give this place a try. But only because I wanna make out with you.

RICH

Oh, god please, kill me.

ALISON

(advancing on Rich)

You know, it's only been two hours and I'm seriously already over your antics.

JAKE

(saving the day)

Ok! Alison get unpacked. Rich we need firewood. Lets take a walk.

Rich and Alison stare each other down in a Mexican stand off for a moment then Rich begins to laugh and exits.

4 EXT - WOODS - CONTINUOUS

Rich and Jake are looking for fire wood.

RICH

Dude I can't believe you actually put your dick in that it hasn't fallen off by now.

JAKE

Rich, c'mon man she's my girlfriend. And shes going to be sticking around for a while so you two better find a way to get along with each other.

RICH

Or what? Your gonna end our friendship? Over a chick, we've been bros since Kindergarten, you'd

throw that away?

JAKE

Whoa! Back off! I was gonna say I'm gonna kick both your asses. I'm not cutting you out and I'm not dumping Alison. You two are stuck with each other so learn to live with it.

RICH

Fine, Jesus. But you gotta admit it was kind of funny the face she made.  
(imitating Alison's face)  
I'm over your antics.

Although Jake wants to be mad, he starts to laugh.

JAKE

Rich, your a dick.

RICH

That's why you love me bro.

5 INT. CABIN - CONTINUOUS

Tom is unpacking his things while Kerri observes.

KERRI

Do you need any help?

TOM

Huh? Oh, um, no no thank you I think I got it.

KERRI

Oh, ok.

Beat.

KERRI

You know when I was in India I visited this temple. It was gorgeous. The surrounding villages all got together and wedded the god and goddess, Shiva and Pravti. Its their yearly celebration to celebrate creation and life.

TOM

Really? I'm sure you saw a lot of amazing things in India.

KERRI

Yeah, it was beautiful. There were all these statues of woman and men in erotic positions.

Tom begins to blush.

KERRI

Oh, I'm sorry did I say something wrong?

TOM

No, no not at all I just, um I wasn't expecting that, that's all.

He takes his glasses off and wipes away the fog. They both laugh.

KERRI

So how do you know Jake and Rich?

TOM

Well, I used to work with Jake at O'Harleys a few years ago and we became good friends and then I met Rich later and they both just kind of took me under their wing. How do you know them?

KERRI

Eh, me and Jake were boyfriend and girlfriend in like the 6th grade, but we've stayed friends over the years. He's a great guy and Rich takes a little getting used to but once you get past all the lude comments and jokes about your mother he's really not that bad.

Alison guffaws.

TOM

(laughs)

Yeah I can see that, he still hasn't stop calling me their mascot yet.

KERRI

Give him time, he'll get bored.  
But for the record, I think your  
much more.

TOM

(surprised)  
Thank you.

KERRI

(confident)  
You're welcome.

They smile at each other.  
Jake and Rich come in from outside.

RICH

I don't know about you fuckers but  
I thought this was a PARTY!
